# Context – is there common ground across major programmes and policies ?

**The Promise** : ‘voice’, family relationships, ‘scaffolding’

**UNCRC** : protection from all forms of abuse, neglect, exploitation , violence

**GIRFEC** : an ecological developmental approach underpinning UNCRC

**Family Support** : holistic, preventative, practical

**National Guidance Child Protection** consultation : Part2b/Part4/practice. notes

**Children’s Hearings**: recovery and participation through Covid-19; referrals for age 16&17

**Domestic Abuse** : family context ; coercive control

**CSE** : SCRA research Oct 2020 – relevance of context

**UASC and child trafficking** :

**Youth justice**; early and effective intervention

**Transitions** to adult life and services; transitions in the experience of young people

**Inequalities**: policy approaches to intersections of poverty, isolation, ill health, poor housing, ‘island proofing’
